##### **Disposition of tax revenue**

*Note: This version of section effective until 7-1-2005. See also following version of this section, effective 7-1-2005.*

Sec. 5. (a) This subsection does not apply to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

(1) The first thirty-three million dollars (\$33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(2) Subject to subsection (c), twenty-five percent (25%) of the remaining tax revenue remitted by each licensed owner shall be paid:

(A) to the city that is designated as the home dock of the riverboat from which the tax revenue was collected, in the case of:

(i) a city described in IC 4-33-12-6(b)(1)(A); or

(ii) a city located in a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000); or

(B) to the county that is designated as the home dock of the riverboat from which the tax revenue was collected, in the case of a riverboat whose home dock is not in a city described in clause (A).

(3) Subject to subsection (d), the remainder of the tax revenue remitted by each licensed owner shall be paid to the property tax replacement fund. In each state fiscal year beginning after June 30, 2003, the treasurer of state shall make the transfer required by this subdivision not later than the last business day of the month in which the tax revenue is remitted to the state for deposit in the state gaming fund. However, if tax revenue is received by the state on the last business day in a month, the treasurer of state may transfer the tax revenue to the property tax replacement fund in the immediately following month.

(b) This subsection applies only to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter as follows:

(1) Thirty-seven and one half percent (37.5%) shall be paid to the property tax replacement fund established under

IC 6-1.1-21.

(2) Thirty-seven and one-half percent (37.5%) shall be paid to the West Baden Springs historic hotel preservation and maintenance fund established by IC 36-7-11.5-11(b). However, at any time the balance in that fund exceeds twenty million dollars (\$20,000,000), the amount described in this subdivision shall be paid to the property tax replacement fund established under IC 6-1.1-21.

(3) Five percent (5%) shall be paid to the historic hotel preservation commission established under IC 36-7-11.5.

(4) Ten percent (10%) shall be paid in equal amounts to each town that:

(A) is located in the county in which the riverboat docks;  
and

(B) contains a historic hotel.

The town council shall appropriate a part of the money received by the town under this subdivision to the budget of the town's tourism commission.

(5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat is docked. The county treasurer shall distribute the money received under this subdivision as follows:

(A) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than thirty-nine thousand six hundred (39,600) but less than forty thousand (40,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(B) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(C) Sixty percent (60%) shall be retained by the county where the riverboat is docked for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body shall provide for the distribution of part or all of the money received under this clause to the following under a formula established by

the county fiscal body:

(i) A town having a population of more than two thousand two hundred (2,200) but less than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(ii) A town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32-10-6.
- (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
  - (2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
  - (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.
- (f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:
- (1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5);
  - (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.
  - (3) To fund sewer and water projects, including storm water management projects.
  - (4) For police and fire pensions.
  - (5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.
- (g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of 2003 and each year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.
- (h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:
- (1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
  - (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

The town council shall appropriate a part of the money received by the town under this subdivision to the budget of the town's tourism commission.

(5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat is docked. The county treasurer shall distribute the money received under this subdivision as follows:

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

(e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this

subsection as follows:

- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

- (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.
- (3) To fund sewer and water projects, including storm water management projects.
- (4) For police and fire pensions.

Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to:

- (1) the entity's base year revenue (as determined under IC 4-33-12-6); minus
- (2) the sum of:
  - (A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus
  - (B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.
